

# Alekhine in the Americas: Games from Alekhines Exhibition Tours of the Americas 1923-1939

To honor the 100th anniversary of Alekhines birthday lesser-known Alekhine efforts are brought here into the public eye. The purpose of the book is to investigate Alekhines quite fascinating non-tournaments efforts which took him all over the globe and made him the original frequent traveler. His efforts include the Franco-Russian Chess Champs four barnstorming tours of the U.S. and Canada as well as visits to South America. Over 140 games, 88 diagrams. Algebraic notation. (I.C.E., 1992)
